Lightweight Compact

The Dolphin E10 is a lightweight, compact robotic pool cleaner that expertly cleans your pool floor. With its quick water release and easy to use top-access filter system, you'll find the E10 is the simple answer your pool cleaning needs.

Superior Pool Cleaning

Experience superior pool cleaning with the Dolphin X30 that is super-easy to handle. Choose between two filtration options to capture rough debris or fine dirt. The dual active brushing action and PowerStream Mobility system ensure efficient and effective pool coverage mobility.

A New Pool Cleaning Experience

Control your Dolphin X40 PLUS through the multi-function power supply to set up cleaning programs or use the MyDolphin™ Plus app to navigate your Dolphin robot remotely, including manual navigation. The multi-layer filtration system has integrated fine and ultra-fine filters to collect rough debris and fine dirt.

Best of the Best

Powerfully built for the toughest mess. The Active X6 is engineered with advanced cleaning technology and performance. Wi-Fi® connected for full robot control via the MyDolphin™ Plus app! When your cleaning cycle is finished, pick-me-up mode allows for easy retrieval of your pool cleaning robot.
