UNLEASH THE POWER

PoolSystems
pool • spa • lifestyle™

ABOUT US

Pool Systems is Australia's leading distributor of swimming pool and spa products. Established in 1983, we supply pool equipment, chemicals, spare parts and leisure products to a broad range of trade customers in Australia, New Zealand, Oceania, the USA and Europe.

Our Head Office is in Brisbane, where we also have our largest distribution centre. Our other distribution centres are located in Sydney, Gold Coast and Melbourne. These locations enable fast and efficient supply of our extensive product range numbering numbers more than 7,000+. Our international customer logistics team facilitates export shipments to all corners of the globe.

Pool Systems represents and sells many of the industry's premier brands, providing coordinated marketing support and broad market opportunity. In addition our own brands – Aussie Gold, Swimsafe, Life and Swimsportz are the leaders in their category. Adding value to our and customers' business is our highly experienced Commercial team, who are product development and sourcing specialists. Our national business is driven through a large team of in-field sales and key account managers and these are supported by centralized customer service and local logistics teams.

Our industry leadership has been earned through customer focus, product quality and innovation in both product and promotion. We strive to excel.

BRANDS & PRODUCTS

As the leading wholesaler to the pool and spa industry, we are able to offer a broad range of brands across all product categories. Among these are our own brands which have been developed to meet strategic market profiles.

Aussie Gold™, our premium level brand is the benchmark in the segment of pool maintenance and accessories. Manufactured using high quality, heavy duty materials and with an extended warranty, this brand is the market leader in its represented categories.

The PoolStyle™ product range are professional grade tools built for long-lasting performance. All products are designed with functional elements and all components are of the highest of quality.

Designed for every day use, All Seasons™ delivers strong reliable and real value products.

Avenger Pool Cleaner

| | |
|--------|------------------------------------|
| AVG001 | Pool Cleaner Avenger – All Surface |
|--------|------------------------------------|

Avenger Pool Cleaner is the ultimate in automated pool cleaning. Simple to install, it features patented AutoPilot® buoyancy and steering control system that provides unrivalled manoeuvrability and superior performance. Designed to work in your pool effortlessly, the Avenger cleans, climbs and vacuums your pool like no other. This makes the Avenger the intelligent choice.

Hi-Grip™ foot offers superb wall climbing ability. The Avenger incorporates reliable everlast diaphragm technology giving quiet and dependable operation. Inclusive of 12 individual hose lengths. Unique interlocking ribbed cuffs for extra strength ensuring hose durability and longevity.

The SkimIt™ – Speed control elbow valve allows for precise water flow enabling Avenger to run at optimal performance.

Each Avenger Pool Cleaner includes:

- 1 x Pool Cleaner
- 1 x Auto Pilot Arm
- 12 x 1m Hose Lengths
- 1 x Hose Weight
- 1 x Speed Control Elbow Valve
- 1 x Deflector Wheel – Standard
- 1 x Hose Adaptor
- 1 x Flow Indicator
- 1 x Manual & Warranty Card

Titan Pool Cleaner

| | |
|--------|--------------------|
| CTC010 | Titan Pool Cleaner |
|--------|--------------------|

Titan Pool Cleaner is designed for the most demanding applications in all types of pool finishes. Using the flow created by your filter pump, it is simply connected to your skimmer vacuum plate to scrub and vacuum your pool floor and most walls. Installs in minutes & without tools.

Quickly attaches to your pool skimmer in minutes. It cleans using a true random-pattern coverage that ensures that every inch of your pool's floor is vacuumed thoroughly.

The step deflector means the cleaner operates in nearly any environment without getting stuck in one area of the pool. The adjustable by-pass valve allows for operation from small to large capacity filtration pumps.

The dual suction design of the Titan Pool Cleaner ensures your pump and filter is never starved of water and helps your equipment last longer. Every Titan Pool Cleaner come with 14 pieces of 80cm high quality spiral wound hoses.

Handover Kits

Aussie Gold Handover Kits are available for both inground and above-ground pools.

SandPro Pump & Filter Systems

Complete Replacement Sand Filter Unit. Powerful, ultra quiet self-priming pump generates maximum water flow that will quietly clean and circulate the pool water. Easy DIY installation and ideal for INTEX® & Bestway Pool packages and steel walled above ground pools.

Features

- 3/4 HP or 1/2 HP pump
- High efficiency impeller for maximum water flow and minimal noise
- Easy to operate 4 position rotary valve (filter, backwash, rinse & winterize)
- Large capacity, easy to clean pump basket with see-through lid
- Hose fitting adaptors work with 32mm, 38mm & Intex 40mm hoses
- 12 month limited warranty

| | | |

Aussie Gold Replacement Cartridges

A large selection of cartridges is stocked for all popular brands of equipment, including spas and hot tubs.

All cartridges are manufactured from high quality spun woven polyester fibre. This special fibre prevents dirt from becoming embedded in the material which makes cleaning fast and simple. Our Customer Service staff are pleased to provide additional assistance if you cannot identify the correct cartridge from the charts provided. All cartridges are individually boxed in a display carton complete with identification and barcode.

For easy identification first select the end cap style required and then match the measurement, starting with the overall length.

MEASUREMENTS CAN VARY BECAUSE:

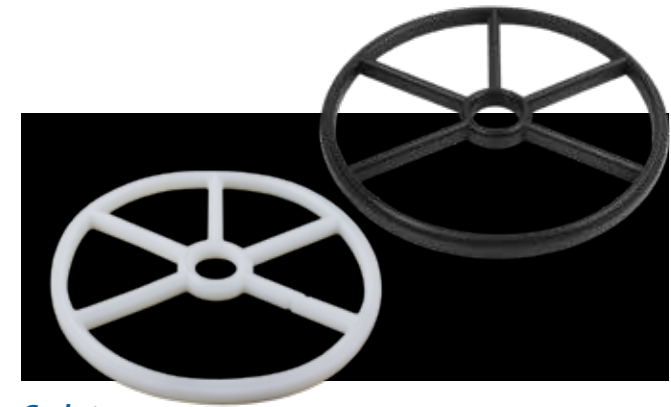

- Cartridges collapse slightly with age and use
- Different manufacturers over the years
- Errors due to the actual people who make up the sizing charts
- Different methods used for measuring - rulers are not that precise

IDENTIFICATION:

| | | | |
|--------------------------------|-----------|------------|---------------|
| Top | Hole Size | Collar | Closed |
| Bottom | Hole Size | Spout Slip | Spigot Thread |
| And of course length and width | | | |

TERMS

| | |
|--------|------------------------------|
| BSP | British Standard Pipe |
| NPT | National Pipe Thread (USA) |
| MPT | Male Pipe Thread |
| SAE | Society Automotive Engineers |
| ID | Internal Diameter |
| OD | Overall Diameter |
| FEMALE | Internal |
| MALE | External |

Flexible Connectors

| | | | |
|---|--------|---------------------------|-------------|
| 1 | FFC505 | Flexi Connect | 50mm |
| 2 | FFC404 | Flexi Connect | 40mm |
| 3 | FFC504 | Flexi Connect | 40mm x 50mm |
| 4 | FFC449 | Flexi Connect Elbow 90Deg | 40mm |

Flexible Connectors are made from the highest quality neoprene compound.

Hose Clamps

| | | |
|--------|------------------------------|------|
| FHC440 | Hose Clamp Quick Release 2pk | 40mm |
| FHC450 | Hose Clamp Quick Release 2pk | 50mm |

Quick Release Hose Clamps are super fast to fit and remove. Perfect for both the service person and the pool owner.

Gaskets

| | | |
|---------|---------------------------------------|------|
| PGV040 | Eco Pure/Reliance MKIII | 40mm |
