

A smiling couple is shown in a hot tub. The woman is on the left, wearing a white halter-neck bikini top, and the man is on the right, shirtless. They are both smiling and looking towards the camera. The hot tub is white with blue water and bubbles. In the background, there are black jets and a central drain. The 'life' logo is in the top right corner, featuring the word 'life' in a blue script font with a stylized flower icon to its right. Below 'life' is the text 'spa & hot tub essentials' in a smaller, sans-serif font, with a small flower icon to the right of 'essentials'.

life[®]
spa & hot tub essentials[®]

A large, stylized blue flower graphic with five petals is positioned in the bottom left corner of the page. It overlaps the dark blue footer area.

Cover Caddy & Swim Spa Conversion Kit

The Spa Cover Caddy gas spring-assisted cover lift defines versatility and effortless spa cover removal. It's unique design allows for installation on an array of spa shapes and sizes including round and octagonal spas with large radius or cut corners. The Caddy's new under-mount base plate provides for a complete installation within minutes. The addition of a powerful gas spring makes lifting and lowering your spa cover easier than ever imagined. For those spa owners who want the convenience of a spa cover lift and an unobstructed view from their spa, the Cover Caddy continues to be the preferred choice. Spa Cover Caddy is also suitable for Swim Spas with the optional Swim Spa Extension Kit.

Features:

- New under-mounted-cabinet design works with all spas.
- Gas spring assisted for effortless spa cover removal.
- Stores cover conveniently to the sides of the spa.
- Adjustable - raises or lowers spa cover when stored.
- Constructed of high-grade powder coated aluminum.
- Complete installation within minutes.
- Features an industry leading five year warranty.
- XL spacers included for spa covers with 153mm -102mm tapers.
- An extension kit Swim Spa is available.

Spa Cover RX

The Cover RX is compatible with virtually any spa on the market today. The unique under-mount installation plate allows the RX to be installed on whatever side of your spa you choose and requires only 356mm of clearance. Whether your spa is square, rectangular, octagonal, or round the Cover RX will be a perfect fit and requires no drilling into your spa cabinet. Your spa cover is supported entirely by the RX and does not place any unwanted stress on the centre cover seam which translates to a longer cover life. The Cover RX can be operated by a single user from any position you choose; from the side of the spa, from the back, or even inside the spa. There has never before been a more complete spa cover lift.

Features:

- Single gas shock assists with raising and lowering the cover.
- Constructed of high-grade powder coated aluminium.
- Does not attach to cover hinge for prolonged cover life.
- Undermount design works with all spa shapes.
- Requires only 356mm of clearance behind the spa.
- Requires no side clearance.
- Works with a range of spa heights 610mm - 965mm.
- Features a five year limited warranty.

SCL300	RX Cover Lift
--------	---------------

Cover Valet

The Cover Valet is the world's leading premium spa cover removal system due to its ease of operation and installation versatility. It is designed to fit on virtually every spa up to 229mm in size and excels in limited space environments; against a wall, inside a gazebo, and even mounted into a patio or deck for in-ground spa applications. Dual gas shocks assist in effortlessly lifting and lowering the spa cover. A locking safety feature holds the cover open until it is time to be closed. A durable powder coat finish accompanied by stainless steel hardware allows the Cover Valet to be equipped with an industry leading 5 year warranty.

Features:

- Suitable for Spa or Deck Mount installation.
- Requires only 102mm - 152mm of clearance.
- Works inside most gazebos.
- Mounts to edge of spa cabinet or directly to deck.
- When cover is open, it doubles as a privacy wall.
- Durable zinc plated and powder coated finish.
- Highest quality stainless steel hardware.
- Accessory brackets are available to fit specific spa manufactures' needs.
- Compact packaging for easy, low-cost shipping and handling.
- Features a five year limited manufacturer's warranty.

SCL500	Cover Valet
--------	-------------

Rock-It Cover Lift

Features:

- Offers hassle-free spa cover removal.
- Slides your spa cover effortlessly behind your spa and reduces cover wear & tear by keeping the cover off the ground.
- Unique under-cabinet mounting design.
- Under-spa plates are held securely in place by the weight of the spa.
- When folded down, the cover stores neatly on the side of spa to provide a full view.
- Zinc-plated and powder coated finish.
- It fits virtually all of today's spas up to 2.4m.
- Requires as little as 460mm of clearance.

SCL200

Rock-It Cover Lift

EX Cover Lift

Features:

- Lifts the cover with ease.
- Designed to fit on square or rectangular spas up to 2.65m in size.
- Allows your spa to fit against a wall, inside a gazebo, and even mounted into a patio or deck for in-ground spa applications.
- When cover is open, it doubles as a privacy screen.
- All aluminium construction with reinforced aluminium mounting brackets.
- Durable zinc plated and powder coated finish accompanied by stainless steel hardware.
- A locking safety feature holds the cover open until it is time to be closed.
- Requires 305mm of clearance behind the spa.

Spa Side Handrail c/w LED Light

The Spa Side Handrail is the most user friendly spa side assist product on the market. This device provides 360° of movement to allow for easy spa entry and exit. An added locking feature enables the Handrail to be fixed in any position for increased safety and peace of mind. The Spa Side Handrail slides under the spa cabinet for complete installation and requires no hardware or assembly. The attractive carbon grey powder coat is accented by battery-powered LED mood lighting located on the interior curve of the rail.

Features:

- Under-mount base included.
- Durable zinc plated and powder coated finish.
- Swivels to provide ease of entry and exit.
- Perfect fit for spas up to 1016mm high.
- Locking feature ensures fixed position.
- Soft blue LED lighting completes the look.

MHR100	Spa Side Handrail c/w LED Light
--------	---------------------------------

AirO Spa Covers

After years of extensive product testing, the future of spa covers - AirO Spa Cover has arrived. The first spa cover of its kind features Dual Bladder drop stitch construction (think stand-up paddle boards) and supports over 230kg. AirO will not absorb water over time and provides consistent and superior insulation. Made from Weathershield canvas which gives the cover a modern look and feel, we worked with numerous cover manufacturers and found that 3 sizes comprise the majority of the replacement cover market.

SCL018	AirO Spa Cover 218cm (L) x 218cm (W)
SCL026	AirO Spa Cover 226cm (L) x 226cm (W)
SCL038	AirO Spa Cover 238cm (L) x 238cm (W)

Chrome Thermometers

Features a chrome finishing which is corrosion-resistant for a longer life. Its weighted bottom keeps it standing upright in the water, giving a more accurate reading. The included poly cord and suction cup can be used to secure it in place in the spa or hot tub.

CPR Chart

Spa pool safety guidelines have been introduced to help consumers determine the safety of their spa and minimise the risk of injury from spa pool use. In case of an emergency a CPR chart is a must.

Features:

- Metal material with long lasting UV resistant ink.
- CPR sign measurements: 450mm width x 600mm height.

MPS517	Life DRSABCD CPR Sign
--------	-----------------------

Venturi Pump

Multipurpose Submersible Water Pump

Features:

- Will remove unwanted liquid up to 4,500 litres per hour.
- Capable of pumping mud, sand, leaves and other debris.
- Easily connects to a garden hose with the provided adaptor.
- Simply screw onto your garden hose and snap into the Venturi Pump's inlet valve.
- No electricity required for operation; the innovative design uses water pressure from a garden hose to build suction.
- Multi-connector outlet valve allows you to use rigid hose that you can attach with a simple clamp.
- No inlet straining screen means it's capable of pumping solid materials such as small leaves, pebbles and other debris without clogging.
- Ideal for emptying pools, spas, aquariums, ponds, trenches, construction sites and flooded basements.

EPV100	Venturi Pump
EPV200	Venturi Pump with interlockable & expandable hoses - Box

LFB300

Life Resistance Kit

One size fits most

Spa pH & Alkalinity Increaser

Life Spa pH & Alkalinity Increaser increases Total Alkalinity and pH in spa and hot tub water. Water low in Total Alkalinity can corrode equipment, etch some spa surfaces, cause skin and eye irritation in bathers and excessive chlorine usage.

BPA500	Life Spa pH & Alkalinity Increaser	500g
--------	------------------------------------	------

Spa pH & Alkalinity Decreaser

Life Spa pH & Alkalinity Decreaser is ideal for dropping pH & total alkalinity levels. Water high in pH can corrode equipment, cause scale formation and metal staining, irritate skin and eyes of bathers and reduce the effectiveness of chlorine over algae and bacteria.

BSM500	Life Spa pH & Alkalinity Decreaser	500g
--------	------------------------------------	------

Spa Calcium Hardness Enhancer

Life Spa Calcium Hardness Enhancer increases the Calcium Hardness level in spa & hot tub water. Water low in calcium can corrode equipment, etch concrete and grouted surfaces, and provide an environment favourable to algal growth.

BCE001	Life Spa Calcium Hardness Enhancer	500g
--------	------------------------------------	------

Spa Sanitiser

For the control of algae and bacteria in spas & hot tubs.

BSL500	Life Spa Sanitiser	500g
--------	--------------------	------

Spa Shock

Life Spa Shock is a Non-Chlorine Shock Treatment for spas, hot tubs, ornamental ponds and fountains. Highly concentrated, fast dissolving oxygen compound that reduces and eliminates combined chlorine levels. Very fast acting, a spa or hot tub may be used 15 minutes after dosing. Oxidises organic contaminants. Used regularly it increases sanitiser effect. Contains a clarifying agent creating extra sparkle. Contains a minimum oxygen content of 5%.

BSS501	Life Spa Shock	500g
--------	----------------	------

No Foam

Life No Foam is a fast-acting anti-foam agent for eliminating unsightly foam in spas and hot tubs. Life No Foam should only be used when foam is present. Easy and economical to use.

BAF001	Life No Foam	500mls
--------	--------------	--------

Spa Leak Sealer

Life Leak Sealer is a concentrated formulation to seal minor leaks in spas and hot tubs. It can be used for leaks in either the shell and/or internal plumbing system.

BFC500	Life Spa Leak Sealer	500mls
--------	----------------------	--------

Ultra Spa Clarifier

Life Ultra Spa Clarifier is a fast acting, versatile natural clarifier that is both NON-TOXIC and BIODEGRADABLE. It's unique formulation is specifically designed to clear cloudy water and make it sparkle. Helps with the removal of fats, oils and suntan lotion. Aids in removal of dissolved metals and dead algae. Assists in the prevention of scum line.

BSC002	Life Ultra Spa Clarifier	500mls
--------	--------------------------	--------

Spa System Flush

Life Spa System Flush is a concentrated cleaner for internal pipe-work in spa pools, hot tubs and spa baths. It also removes calcium, grime and organic build up.

BBF500	Life Spa System Flush	500mls
--------	-----------------------	--------

Spa Bromine

For control of bacteria and algae in indoor swimming pools and spas.

BBL010	Life Spa Bromine	1Kg
--------	------------------	-----

Instant Filter Cleaner

Life Instant Filter Cleaner is specifically designed to be used as part of the regular cleaning routine for all cartridge filters. It quickly removes debris, oils, body fats and dirt utilising a unique 'No Soak' formula to minimise down time of your spa or hot tub. For heavy usage Life Instant Filter Cleaner should be used on a fortnightly basis or more frequently if required.

BAF500	Life Instant Filter Cleaner	500mls
--------	-----------------------------	--------

Vinyl Restore & Protector

Life Vinyl Restore & Protector is an exceptional product that has been specially formulated to both restore and protect Spa & Hot Tub vinyl covers.

BRP450	Life Vinyl Restore & Protector	450mls
--------	--------------------------------	--------
